LEST WE FORGET!

Over 2,000 Democratic Precinct Election Boards, 119 Democratic County Election Boards, and a solidly Democratic State Election Board—every one the creation of Mr. Goebel or his agents—certified to the following vote cast at the election held in Kentucky on Tuesday, November 7th, 1890:

William Goebel..... 103,714
William Campbell..... 101,331

Taylor's Plurality..... 2,383

The parties that have nominated

BRYAN for President are almost as numerous as the man who shot GOEBEL.

The name of the Hon. CALER POWERS will be an honored one in Kentucky when the names of CANTRELL and CAMPBELL will outlink a post-dredge factory.

The late Mr. GOEBEL left a fortune of \$100,000, acquired chiefly from charging half the amount recovered by clients in damage suits against railroad companies.

CANTRELL has declared from his foot-perch that CALER POWERS is guilty of contempt of Court because he maintains his innocence after having been convicted by CANTRELL and his \$100,000 bloodmoney fund.

The only "Tariff" that THE LEADER will discuss this year is one applicable to Kentucky alone. There has been such absolute Free-trade in stealing offices in this state, that a high Tariff must be put upon the thieves.

"GOVERNOR" BECKHAM has just pardoned RAM PATRICK, sent to the Penitentiary from Johnson county for the murder of HALLECK RICE; and this right on the heels of TOM CAMPBELL's manifesto about the pardoning of Kentucky murderers.

WATTERSON, who once wrote so eloquently in opposition to the Goebel Law and Goebelman, is now devoting columns and columns to say that GOEBEL was hardly a notch removed from the SAVIOR himself. HEH! must have a severe attack of the Wilkes.

EVEN so fair a man as Editor JIM ALLEN generally is, he has fallen into the habit of saying that the Republicans do not want the Goebel Law repealed. Wonder if he will be convinced when he sees that every Republican in both the Senate and House votes for its repeal?—which they will do.

The great common people are now about to be treated to an extraordinary spectacle of political and personal self-effacement and self-stultification, to-wit:—the alleged Governor of a great Commonwealth wading the rapids of the law under which he was elected, and by which he is "empowered" to make the demand.

ACCORDING to the law as laid down specifically in the Kentucky Statutes, the Fiscal Court chooses its successor to a County Judge who has resigned; but "under the forms of law" prevailing at Frankfort, little boy BECKHAM steps over the heads of the representatives of "the great common people" and makes the appointment himself.

CANTRELL is having a whole lot of fun—all by his lone self. He meets at the Georgetown Courthouse at 9 o'clock every morning, adjourns at 12, reconvenes at 2 and goes out for the day—and perhaps a drink—at 4 p. m. This monkey business he proposes to keep up until the Attorneys for Hon. CALER POWERS prepare their appeal papers. CANTRELL is a joke.

SOME Editors have the Foreign Missionary habit so bad that they never can see what is going on right under their very noses, so to speak. They will scrape the whole country with a fine tooth comb, and raise balla-hoo over a few dozen silver-plated Republicans who are going to vote for BRYAN this year; but they say never a word about the forty or fifty Democrats right here in Mayville who are going to vote for McKIMLEY for President, YERGEN for Governor and POON for Congress.

If you know an item kindly tell us about it. Every day we tell you what we know. Every day we know that you know things that we don't know. And we know that you know that we don't know it, and still you don't tell us. Now, if you tell us what you know then we'll tell what we know and what you know, and then our readers will know what they know and what we know and also what you know, and what we know that you know we know you know.

The laws of health require that the bowels move once each day, and one of the penalties for violating this law in piles. Keep your bowels regular by taking a dose of Chamberlain's Stomach and Liver Tablets when necessary and you will never have that severe punishment inflicted upon you. Price 25 cents. For sale by J. Jas. Wood & Son, Druggists.

News, news, news! It's enough to give a man the blues. Nobody married and nobody dead; nobody broken an arm or a head; nobody came in to talk of the "crap"; no one got boozed and started a scrap; no one got run in for taking a short; nobody hurt and nobody born. Oh, for a racket, a riot, a fuss! Someone to come in and kick up a fuss; someone to stir up the peace-loving air; someone's complaint to use as a scare. Somebody thumped within an inch of his life; somebody run off with another man's wife; someone come in and pay up their dues; anything, anything, just so it's news.

Wood & Son's Druggists, corner of West Second and Market streets. From the satisfactory results obtained I can advise all in need of a kidney medicine to give Doan's Kidney Pills a trial."

KENTUCKY FLASHES.

Henry Youtsey Improving.

Georgetown, Ky., Aug. 28.—Henry Youtsey is improving rapidly and will soon be able to leave his couch. Harland Whitaker's friends have wired him that they will arrive with him in the early this week, and his release will leave Youtsey the only one of the Goebel suspects in jail here. Youtsey says he has a letter saying it is reported he has been badly treated here in jail, being placed in the same cell with a lunatic. He denies this and says that Jailer Reed has been most considerate.

Pursued a Hundred Miles.

Louisville, Ky., Aug. 28.—After a chase of over 100 miles through some of Kentucky's roughest country Detective N. Ashby landed J. B. Menston in jail here, with a charge of horse stealing against him. Menston is accused of taking a horse from R. Y. Brink's stable at Owensboro, and a buggy from Mrs. Lily Brown's stable. When the theft was discovered Detective Ashby gave chase, following his man as far as Bowling Green and Meade counties. He finally landed him near Owensboro.

Overexertion From Dancing.

Louisville, Ky., Aug. 28.—Too much dancing is held responsible for the critical condition of John Hagerman, who is at his home too near death for comfort. Hagerman attended an excursion Saturday night. He danced every number on the program until the last. In the middle of that he fell unconscious. He was partially revived and removed to his home. Physicians say that the overexertion seriously affected his heart.

Shot By a Town Marshal.

Owensboro, Ky., Aug. 28.—Sam Graves, a young man, 19 years old, was shot and killed at Jonesville by Town Marshal John Reynolds. Graves and his older brother, Hallie, who are sons of Asa Graves, of Scott county, were drinking and were drawn into a quarrel between two other persons. Reynolds was trying to arrest them and claimed self-defense. His trial is set for Wednesday.

Railroad Man Disappears.

Ashland, Ky., Aug. 28.—Robert Ma-theu, of Russell, three miles from this city, is missing for more than a week, and his family fear for his safety. He is a prominent K. of P. and a railroad. The river has been dragged for miles. The only thing found to give any clue was a piece of paper alleged to have been on his person at the time of his disappearance.

Gen. Miles Will Be There.

Louisville, Ky., Aug. 28.—Gen. Jno. B. Castleman, president of the Louisville Horse Show association, has received a letter from Gen. Nelson A. Miles, U. S. A., accepting an invitation tendered to him to act as judge of the cavalry walk, trot and canter saddle horse at the Louisville horse show in October.

Shirt-Waists Barred.

Lexington, Ky., Aug. 28.—The Phoenix hotel cafe has placed a bar on shirt-waist men, and Rhodes Herndon, the Scott county cattle king, was the first to come under the ban. He invited a party of friends to supper there, but because several members of the company wore no coats service was denied.

Post Office Robbed.

Sargent, Ky., Aug. 28.—The post office at Evans and Deane, two and four miles from here respectively, were robbed. At Evans \$10 worth of stamps and a little cash were taken, while at Deane \$19 and \$10 in stamps were taken.

Will Submit Proposition.

Lexington, Ky., Aug. 28.—The Lexington city council passed an ordinance submitting the proposition to build a new city hall, to cost about \$200,000, to the people at the November election.

Fell Out of Bed.

Owingsville, Ky., Aug. 28.—Mrs. Jeff Moore, aged 68, fell from her bed while attempting to arise and was instantly killed.

Died During Her Trip.

Chicago, Aug. 28.—Mrs. E. E. Ladd, former president of the Red Cloud (Neb.) Woman's Relief Corps and an ardent worker in that organization died at the Presbyterian hospital in this city. Mrs. Ladd was taken ill while on her way to Chicago to attend the Grand Army of the Republic reunion. When she arrived she was immediately taken to the hospital, but never recovered from the effects of the dose of morphine administered on the train.

One Killed and One Injured.

Detroit, Mich., Aug. 28.—While lowering a 50 lb mangle from the top floor to the basement, a man named Norris Collar and Cuff Co's plant on Jefferson avenue, the beam which was supporting the machine gave way and fell to the basement instantly killing Donald H. Duncan, who was superintending the hoisting, and fatally injuring E. L. McKim, manager for the company.

Man Taken to a Race Motel.

St. Louis, Aug. 28.—Louis J. Roth, 24 years old, was shot and killed by a Negro named Fletcher near Elliott avenue and Montgomery street. Fletcher shot Roth without provocation. The Negro escaped. Considerable feeling is manifested against the Negroes in the neighborhood where the shooting occurred.

A LITTLE DEMONSTRATION

Will be convincing. Once used our Coal will ever after be the only kind that finds favor. The freedom from dirt and stone, small percentage of waste and excellent burning qualities are potent factors in securing the approval of coal consumers. Hard Coal now on hand.

ALLIES DEFEATED

After a Fierce Battle Inside of Peking They Were Forced to Retreat.

A LOSS OF NEARLY TWO THOUSAND

The Chinese Occupy Fortified Positions From Which They Are Bombarding the Allies Murderously.

London, Aug. 28.—The allies, resuming aggressive operations, have taken the district west of Peking. This statement, based on Chinese authority, is cabled from Shanghai, and from the same place comes the further statement that Li Hung Chang has wired the emperor dwager at Peking requesting the arrest of Prince Tuan and the disarmament of the Boxers, in order to give him an opening for negotiations with the powers.

Evidence has been received here, says the Shanghai correspondent of the Standard, "going to show that Gen. Yung Lu was the real author of the anti-foreign outbreak, the emperor dwager, Prince Tuan and the others all having been persuaded by him to take an extreme attitude, while he stood aside and awaited developments."

AGGRESSIVE OPERATIONS.

The District West of Peking Is Said to Have Been Taken by the Allied Forces.

London, Aug. 28.—The allies, resuming aggressive operations, have taken the district west of Peking. This statement, based on Chinese authority, is cabled from Shanghai, and from the same place comes the further statement that Li Hung Chang has wired the emperor dwager at Peking requesting the arrest of Prince Tuan and the disarmament of the Boxers, in order to give him an opening for negotiations with the powers.

Evidence has been received here, says the Shanghai correspondent of the Standard, "going to show that Gen. Yung Lu was the real author of the anti-foreign outbreak, the emperor dwager, Prince Tuan and the others all having been persuaded by him to take an extreme attitude, while he stood aside and awaited developments."

ADVICES DELAYED.

The Boxers Have Probably Cut Off the Communication Between Tien-Tsin and Peking.

Washington, Aug. 28.—After several days' intermission in Chinese dispatches, the government received two dispatches, which presumably bring its advices up to the most recent date. There are indications that the principal delays in the lines of communication are due to the fact that the Peking-Tsin and Peking-Tientsin lines have been cut by the Boxers, and that small bands of Boxers are operating on the line of communication of the Peking campaign force.

Just such interference with the work of the signal corps men was experienced by the United States forces in the Philippines and by Lord Roberts' troops in the Transvaal campaign. Usually these interruptions are very short, the marauders being driven off and the lines restored within a day or two. The fact that more than a week was covered by the last interruption gives rise to the belief here that these attacks upon the lines of communication by Boxers are more formidable than was supposed to be possible after the heavy losses sustained upon them by the international forces in their advance.

OUR CHINESE POLICY.

An International Administration of the Customs Service, as We Like It, Is Advocated.

Washington, Aug. 28.—It is said in administration circles that in the event of the inability of the powers to agree upon a Chinese policy that will preserve the integrity of the empire, the plan most likely to be adopted will provide for international administration of the customs service. Under this plan representatives of the several allied powers having forces in China will be stationed at all the customs ports of China to supervise or administer the service and hearing the revenues, and view to ensuring the collection of the enormous indemnity that will be finally demanded by each of the governments.

It is understood that this or some joint supervisory scheme of a similar character will be favored by this government, and that other governments may make other proposals for a future policy of a different nature, there is no information in the possession of this government to indicate inharmonious action on such a supervisory plan.

The injured are: James Postal, a farmer, head and chest lacerated and internally injured.

WALCOTT REFUSED TO FIGHT.

His Share of the Money Will Be Donated to Some Charitable Institution.

New York, Aug. 28.—The fight between Tommy West and Joe Walcott, which was the main attraction at the twentieth century club in Madison Square garden, ended in a most peculiar manner. The bout had gone 11 rounds very much in Walcott's favor, as he had punished West very badly about the body and had him in a very weakened condition. When the bell rang for the 12th round, to the surprise of everybody, Walcott refused to go on, claiming that he had injured his left arm.

Referee Charley White, suspecting brookliness, insisted on Walcott continuing, but the Negro refused to resume. This left White no alternative other than to declare West the winner.

Manager Kennedy on behalf of the bout announced that Walcott's share of the money would not be given to him, but would be donated to some charitable institution.

BOXERS LOST HEAVILY.

Further Details of Gen. Buller's Recent Attack on an Important Conference Head.

London, Aug. 28.—During Gen. Buller's recent attack, according to the Daily Mail's correspondent at Lourenço Marques, the Boers lost heavily. Half the gunners of the Bethel commando were killed as well as its commander, Commandant Von Dailwif, cousin of Herr Krupp.

"A council of war of the Boers at Machadodorp," says the correspondent, "decided, against the advice of Commandant Gen. Botha, to return to the original plan of retreating on Lydenburg."

Former President Steyn and Commandant Delany are reported to have had an interview with Mr. Kruger last Saturday at Watervalder.

BYRAN DECLINES.

On Account of President McKinley's Absence He Will Not Attend G. A. R. Encampment.

Chicago, Aug. 28.—Wm. J. Bryan has followed the example of President McKinley and declined to be a visitor at the national encampment. He sent a message to Executive Director Wm. H. Harper, the head of the local committee in charge of the local end of the encampment, saying that because of the absence of President McKinley from the encampment he considered it advisable to remain away.

Mr. Bryan's telegram to Mr. Harper is as follows: "Since President McKinley is detained by public business, I believe that the proprieties of the occasion demand that I also decline, and thus relieve the reunion of any appearance of partisanship."

The local committee, through Mr. Harper, expressed its regrets at the inactivity of Mr. Bryan to be present by sending him the following message: "Your telegram declining the invitation to the Grand Army reunion because of President McKinley's absence by reason of his public duties received. The executive committee appreciates your delicacy of sentiment under the circumstances, while regretting that we can not have the pleasure and honor of entertaining you."

FOUGHT WITH WINCHESTERS.

Three Negroes Are Dead as the Result of Trouble in Jefferson County, Arkansas.

Pine Bluff, Ark., Aug. 28.—Three Negroes are dead as the result of trouble that started Sunday at Cooper's Island, a plantation in Jefferson county, 35 miles from this city. Berry Johnson and Harry Wimberly fought with Winchester over a Negro woman named Mary Jones. Matthew Overby, another Negro, took a hand in the fight, and all three were badly used up. Johnson finally killed Overby and Wimberly.

A coroner's jury, of which a Negro named McKinley was foreman, held an inquest over the remains of the two dead men and a verdict against Johnson was rendered. The officers were notified, and Sheriff McCoy, with a posse of deputies went to the scene, but Johnson had escaped. McKinley, the foreman of the coroner's jury, was found dead in his bed with a bullet through his brain. He was assassinated some time during the night.

There Will Be No Fight.

New York, Aug. 28.—Sport Fitzsimmons and William A. Brady, manager for James J. Jeffries, met to arrange a match between the two men. Fitzsimmons said he was in good condition and wished to fight next Friday night, and Brady replied that Jeffries was not in trim for a fight and could not prepare himself in a few days intervening. The men separated without coming to an agreement, except that there would be no contest on August 31.
